

## Limited 5 Year Warranty

*BetterAir products have a limited 5 year warranty.*

**1 Year Manufacturer's Limited Warranty** – **BetterAir** products are carefully constructed, tested, and packaged with customer satisfaction in mind. From the original date of purchase, your **BetterAir** products comes with a One Year Limited Manufacturer Warranty which covers any material or manufacturing defects. If repair is not practical, **BetterAir Inc.**, will replace the defective product with, at its discretion, a fully warranted factory-reconditioned or new product. In cases where a particular model may no longer be available, a similar or more current model will be issued at no additional cost to the customer.

**5 Year Extended Limited Warranty** – As a courtesy to our customers, from the original date of purchase, GreenStream Technologies extends the manufacturer's warranty by four 4-years (5 years total coverage) provided customer compliance related to the proper care and maintenance as described within the user's manual and provided the customer has maintained their product refill auto-ship based on the recommended schedule for their given product/model. GreenStream reserves the right to review adherence to warranty terms and conditions and to consider exceptions at its discretion.

**Additional Terms & Exceptions** – Products altered or repaired by any party other than a **BetterAir** Authorized Independent Dealer or representative may void warranty coverage. Products found to be defective due to fire, flood, other acts of God, or other non-manufacturing defects are not covered under warranty. Warranty covers replacement product and any applicable taxes, shipping, and labor. If product entails installation and property is sold, the warranty is transferable provided all warranty terms contained within have been met. Only products originally purchased from an Authorized Dealer are covered under warranty. Products purchased via internet are NOT covered.
